

Texas Construction's **Top 115 Specialty Contractors**

www.texas.construction.com/features/archive/0408_cover.asp

Texas Construction's annual Top Specialty Contractors' ranking shows that while the state's subcontractors faced a tougher construction marketplace in 2003, the top 10 companies still reported \$81 million or more of in-state revenue, the same minimum amount reported by the top 10 companies the year before.
